1.2 General Rules, Requirements, & Assumptions

a. Governing Law

MCFG is privately owned by the County of Mesa, Colorado and is provided for the use and enjoyment of the citizens of Mesa County. Use of this facility is governed by, construed, and enforced in accordance with the Resolutions and Ordinances of Mesa County; the laws of the State of Colorado; and the laws of the United States of America. The venue for all legal proceedings hereunder shall be Mesa County, Colorado.

b. Insurance Requirements

Liability insurance is required for all commercial and some noncommercial events held at the Mesa County Fairgrounds. It is the responsibility of the event holder or vendor to obtain, at its own cost and expense, said insurance(s) necessary. Requirements are established with each Use License and are based on the planned activity. MCFG general requirements are listed below.

No individual or organization shall be allowed to use the facilities at the Mesa County Fairgrounds unless all requirements for insurance are met. These requirements pertain to all users without exception, including promoters, organizers, vendors, and private individuals. If an individual or organization fails to comply with the insurance regulations, MCFG reserves the right to cancel the scheduled event. Please contact the Fairgrounds office in advance to discuss insurance requirements for your planned activity.

The general requirements for events and vendors are as follows:

Standard and Public Events:

- **Commercial General Liability** \$1,000,000 Minimum coverage
Coverage as a combined single limit per occurrence for bodily injury, personal injury and property damage is established by each Use License.
- **Automobile Liability** \$1,000,000 Minimum coverage
Required for all commercial vehicles utilized by the Event Holder in the production of the event. Vehicles used only to tow a mobile concessions unit that are not considered part of the production of the concession business are exempt from this requirement, but instead this class of vehicles shall have usual and customary

auto liability as required by Colorado law. But, for commercial autos, automobile Liability that is required is generally \$1,000,000.00 accident for bodily injury and property damage.

- **Workers Compensation Insurance** is required for all commercial events within the scope and limits set as required by the laws of the State of Colorado.

Certificates evidencing insurance must be provided to MCFG in advance on an Accord 25-S form (or similar) with Mesa County Fairgrounds identified as the Certificate Holder and include the endorsement language shown below:

Licensor, its officers, officials, employees, and volunteers are ADDITIONAL INSUREDS, as respects liability, on behalf of the Licensee, arising out of this License.

Private Events:

- **Host Liquor Liability Insurance** (Where alcohol is given away) \$150,000 Per injury - Per occurrence
A separate policy is needed for private events where alcohol is given away (e.g. weddings, parties).
- **Liquor Legal Liability Insurance** (Where alcohol is sold) \$150,000 Per injury-Per occurrence
Includes a per drink charge, admissions, donations, and/or tips. \$1,000,000 Aggregate per event.

For private or family events in our buildings (e.g. weddings and receptions) where alcohol will be given away, the liability insurance coverage required (listed above) can often be obtained from the host family's homeowners insurance. Proof of such coverage is required prior to any alcohol service at the event. Certain events where alcohol will be sold will require a special event liquor license from the County (see Alcohol).

Other insurance endorsements and provisions may also be required by each Use License. It is the responsibility of each individual or organization requesting use of the facility to meet these requirements in the time required. Please contact the Fairgrounds office in advance to discuss insurance requirements for your planned activity.

Deductibles and self-insurance must be declared to and approved by the Mesa County Fairgrounds and the Mesa County Risk Management Department as is required to be paid by the individual or organization being issued the Use License upon claim.

The insurance requirement does not reduce or eliminate the users for taking precautions. These precautions shall be exercised at all times for the protection of all persons (including the employees and volunteers of the Mesa County Fairgrounds) and property. Safety provisions of all applicable rules and regulations shall be observed, and hazards arising from the work performed shall be guarded against or eliminated in accordance with the highest standards of safety practice. All users of the facility, and any subcontractors, must comply fully with all requirements of the Occupational Safety and Health Act, and any other pertinent rules or regulations.

c. Indemnification

By renting the Fairgrounds facilities, all Event Holders agree: to protect, defend, indemnify, and hold harmless the Mesa County Fairgrounds, Mesa County, its officers, officials, employees, volunteers and agents free and harmless from, and against, any and all losses, penalties, damages, illnesses, or liabilities of every kind and character arising out of, or relating to, any and all claims, obligations, actions, proceedings, liens, or causes of action arising directly or indirectly, out of the activities contemplated under your License. Without limiting the generality of this clause, any and all such claims or actions relating to personal injury, or of any other tangible or intangible personal or property right, whether or not arising under the constitution of the state or federal

government, or actual or alleged violation of any other applicable statute, ordinance, administration order, rule or regulation, or decree of court, shall be included in the indemnity hereunder.

d. Hand billing and Solicitation

Any hand billing or solicitation to be conducted at the Fairgrounds is at the discretion of the Event Holder presenting the scheduled activity, so long as the peace is not breached and traffic flow is not affected. The Event Holder will determine if any requests for solicitation will take place outdoors only in a designated booth area or if they will allow individuals to casually walk around and solicit and handbill at will. In the case of the annual Mesa County Fair, any hand billing activity must be approved in advance by the Mesa County Executive Fair Board. During the Mesa County Fair these types of groups may present themselves by renting a booth as a vendor would. In no case will hand billing activities be allowed to stop or detain moving automobiles. (Hand billing is defined as handing out paper flyers and includes all types of flyers, including, but not limited to, promotion of political candidates or causes; Solicitation is defined as requests for money, political support, signatures, financial assistance, etc.)

e. Picketing/Protesting

Picketing is allowed at the MCFG only in designated areas. The area(s) will be determined with the consent of the Event Holder presenting the scheduled activity, and in the case of the annual County Fair, any picketing activity must be approved in advance by the Mesa County Executive Fair Board. [Picketing is defined as demonstrations (with or without signage) in a public display in order to protest or persuade].

f. Politicians/Political Party

The Mesa County Fairgrounds is available for rent to any elected official, candidate, association, and issue groups. During the Mesa County Fair these types of groups may present themselves by renting a booth as a vendor would.

g. Event Access by Staff

Mesa County Fairgrounds Staff and Facilities Staff are responsible for the management and maintenance of the Fairgrounds facilities and property and have the right to access the facilities and property at any time during any event.

h. Licenses, Taxes, Fees, & Permits

Special licenses and permits may be required for your event. Be certain to check with all applicable authorities to be certain you are in compliance at all levels. The Event Holder must obtain all permits and/or licenses required by applicable law, ordinance, resolutions and rules. Please provide copies of all required permits and/or licenses to the MCFG prior to the event.

Special taxes and fees may be applicable. Any and all taxes, fees and assessments, including but not limited to, license fee, fees for permits, profits, sales or use taxes, personal property taxes or any other taxes that may be levied or assessed on the assets, shall be borne and paid by the Event Holder.

Event Holders and Event Holder vendors are responsible for payment of all sales or use taxes, assessments and/or fees in compliance with Mesa County, the City of Grand Junction, and the State of Colorado. It is the Event Holder and/or the Event Holder's vendor, responsibility to collect and submit payment. Sales tax information can be found on Colorado.gov.

i. No discrimination

No Event Holder using MCFG shall discriminate in the use of the premises against any person because of race, creed, color, religion, national origin, political belief or affiliation, age or sex, or disability. Everyone on the

premises of the Fairgrounds must be in compliance with the Americans with Disabilities Act of 1990 (PL 101-336).

j. Photos

MCFG often records events and activities taking place on the property. All users of the MCFG, by virtue of their presence on the property, are consenting to allow Mesa County, and the Fairgrounds, rights to photograph them, their guests, participants, and the event itself while on the property. These photographic or video images shall be the property of Mesa County and are for educational, promotional, or documentation purposes only.

k. Donations

From time to time groups have donated labor, materials, and equipment to the MCFG for use at the Fairgrounds. It is understood that these donations become the property of Mesa County at that time. It is also understood that these donations in no way confer special privileges or discounts upon the donors to the Fairgrounds.

1.3 Facility Booking Information & Policies

a. Booking Events/Reservations

The steps shown below are a general guideline to booking your event, however; there may be additional requirements depending on the nature of your event or activity.

1. Contact the Fairgrounds office by phone, to determine the availability of the dates for the facilities requested.
2. Reserve the date with the Fairgrounds Event Coordinator by coming out to the Fairgrounds office. Please be prepared with all necessary information regarding your event or activity (time, date, # of attendees, special needs, etc.).
3. The facility will not be reserved until a deposit has been paid and application submitted. Applicants will receive a current edition of the Event Holders Guide, and a booking slip for the facility requested.
4. **Large events require Fairgrounds review/approval of the application.** If the application is not accepted we will return or refund your deposit payment. Contact the Fairgrounds office to arrange for an inspection and possibly a pre-event meeting to coordinate all aspects of your event.
5. Once the Facility Application and Deposit is received and approved, MCFG will generate and mail a Use License (contract) along with other documents necessary for maintenance and other services for your event. Review the License and all attachments, then sign and return the License and any other requested documents and any facility rental pre-payments to the Fairgrounds office.
6. Post-event inspections, ticket reconciliation, security charges, stall or RV rental, and any other matters are addressed immediately after the event and a post-event billing invoice (if required) is prepared.
7. Refunds on deposits generally occur within two weeks of your event. The Mesa County Finance Department mails all refund checks directly.

b. Scheduling Policies

1. Historic Use

As a matter of practice, MCFG offers historical users of the facility special consideration for scheduling the same event in the following year on approximately the same date. The MCFG will endeavor to honor dates of historical users but cannot guarantee a date based only on historic use. In accommodating growing demands on limited facilities, the MCFG may deem it necessary to adjust historic event dates from time to time. No date will be held without a deposit. Users will be given the opportunity as a **Historical booking, to be offered 'First Option'**: A space hold extended by the MCFG where the group has first right of refusal and is subject to the

terms of this policy until the Release Date; at which time holder must either proceed to contract or release the booking.

2. Nonexclusive Licenses

The Use License is not an exclusive License; it is likely that other events will be occurring simultaneously with your event or that similar events may be held at the MCFG at a different time of year. MCFG will advise you of other events taking place which may impact your event whenever possible.

3. Separation of Similar Events

Mesa County reserves the right to schedule any events in its facilities it deems to be of interest to the citizens of the Western Slope and meets its mission as approved by the Board of County Commissioners. Whenever possible, MCFG attempts to keep some separation between similar events deemed as competing. As a courtesy to all Event Holders, the MCFG may refrain from scheduling events of a similar nature sixty (60) days prior to an event or thirty (30) days after an event. Some restrictions may apply even outside of these parameters in areas such as advertising prior to a similar event.

4. Right to Refuse

Mesa County Fairgrounds reserves the right to refuse any event booking. Reasons for refusal may include but are not limited to the following: if the event may cause undue or unusual damage to the facilities or may violate local, state, or federal laws, regulations, or rules; or if the event is deemed not an appropriate use of the Fairgrounds facilities based on a variety of reasons such as conflicts in scheduling, event type saturation, excessive noise, or not aligned with Fairgrounds or County missions. No event shall be scheduled at the MCFG that would interfere with the annual Mesa County Fair held in July.

c. Sharing of Facilities and Services

MCFG is used for many activities, events, operations, and engagements; it is likely that other events will be occurring simultaneously with your event. The use or availability of services and facilities is dependent on demand. As a condition of the use of this facility, the Event Holder must agree to comply with established schedules and to cooperate in shared arrangements. The Fairgrounds Staff will keep each Event Holder aware of any and all events occurring on the same dates.

d. County Government Usage

Mesa County government may have use of the Fairgrounds facilities, if available, without charge. All Mesa County users are responsible for all set-up, take-down, and cleanup of their events.

e. Tri-River Extension and Mesa County 4-H

MCFG has enjoyed a long, cooperative relationship with Tri-River Extension and the 4-H program. These programs are partially County-funded. In keeping with the MCFG Mission and the goals of the founding members of the Intermountain Veterans Association that this property must be used to support agriculture and education, the MCFG offers all facilities to these programs free of charge, with the following limitations:

- Community Building: The building may be reserved by Tri River Extension on weekdays: Monday-Thursday for unlimited use, free of charge. Up to five weekend events will also be allowed annually. All other weekend use of the building will be subject to published rental rates. Reservations must be made by Tri River Extension staff via phone or email notification to the Fairgrounds. The Fairgrounds reserves the right to preempt Extension events on those days when deemed necessary, but no less than **14** days in advance.
- Covered Arenas: One horse show or event annually. The Fairgrounds reserves the right to determine which arena(s) will be used for these activities. In addition, one practice night per week using one or both arenas will be allowed.

The Mesa County Fair is excluded from the above limitations. Tri-River Extension and Mesa County 4-H users are responsible for all set-up, take-down, and cleanup of their events with no expectation of MCFG staff assistance.

f. Holiday Restrictions

The MCFG is officially closed on the following holidays: Martin Luther King Day, President’s Day, Memorial Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving and the day after, Christmas Day, and New Year’s Day. Events held on these holidays that require staff assistance will be subjected to a charge of **\$60** per hour per staff member. No events requiring staff assistance will be held on Thanksgiving, Christmas, or New Year’s Day.

1.4 Fees, Payments, and Cancellation

a. Damage Deposits

All Event Holders are required to pay a damage deposit prior to the event. **The deposit is necessary to secure the booking dates.** The deposit will be refunded if the facility and property are left in a clean state and there are no damages. The deposit is due and payable at the time the Facility Application is submitted. An increased damage deposit may be required under certain circumstances deemed to be higher risk, including but not limited to parties, dances, and wedding receptions. The Event Holder is held responsible for all damages to the MCFG property. All costs deemed necessary and incurred by Mesa County for replacement and/or repairs caused on behalf of the Event Holder will be billed within 10 (ten) working days after the event.

MCFG may require a pre-and-post event inspection with our maintenance staff. MCFG reserves the right to make the final determination of the refund. Damage deposit refunds are processed by the office the week following the event. Checks are prepared and mailed directly to the Event Holder usually within two weeks following the event.

Organizations that have multiple events or bookings within the same calendar year, may choose to leave their damage deposit with the MCFG to be applied toward the next event. Deposits rolled forward may be refunded the deposit upon the organization’s request or at the completion of the last event for the calendar year, if there are no outstanding charges due from that organization.

b. Standard Fees & Weekday Discounts

MCFG is privately owned by the County of Mesa, Colorado and is provided for the use and enjoyment of the citizens of Mesa County. The costs of maintaining this facility are borne partially by the citizens of Mesa County under the auspices of the Mesa County Board of County Commissioners (BOCC), and partially by the direct users of the Fairgrounds. Fees and rates are reviewed annually by the BOCC. Discounts apply for weekdays (Monday – Thursday). **Friday, Saturday, and Sunday events are NOT eligible for discounted rates.** No other discounts for any user group apply, except as otherwise noted herein. The Fairgrounds accepts cash, credit cards (which will include a convenience fee) and checks for rental and damage deposit fees.

c. Additional Services & Incidental Fees

Event Holders shall provide all security, ambulance or EMT, ushers, announcers, ticket takers, clean-up crew, portable toilets, and other personnel necessary to conduct the activities described in the License Agreement. Some of these additional services are available from the MCFG on a fee for services basis. Typical Incidental Expenses and Fees are detailed in the following chart.

INCIDENTAL EXPENSES & RATES

*The costs below are for services not included in the Standard Set-up for each facility.
Any requests not covered in the Standard Set-up shall be incidental and subject to the charges listed below.*

f. Fee Reduction Requests

Special interest groups, causes, or 501.C3 non-profit organizations may appeal to the Mesa County Board of Commissioners for a rental fee reduction for an event to be held at the Fairgrounds. This request is handled on a case-by-case basis through an agenda item at a regularly scheduled Board of Commissioners Public Hearing.

Groups requesting a fee reduction will be asked to explain their cause and/or and demonstrate the benefit to citizens for the requested fee reduction. In-kind donations of labor and/or equipment/capital items will be considered toward a "reduced" fee. A minimal dollar payment is usually required to assist in utilities, setup/take down labor, trash removal, etc. In no instance are the Damage Deposit or Insurance requirements waived. Check with the office for the forms and the procedures. Applications must be filed with the MCFG office sixty (60) days prior to the scheduled event.

g. Cancellations

Any licensee who cancels 90 days or more before the event will receive a full refund of any deposit and rental fee paid. Stalls and all equestrian areas are routinely sanitized by MCFG staff using a certified veterinary disinfectant product. These facilities may NOT be sanitized after every event, but periodically during the event season, and at any time deemed necessary to protect the health and safety of animals.

b. Stall Use/Boarding & Rental

Overnight and daytime use of the stalls is arranged through the Fairgrounds office. No unauthorized overnight stalling is permitted. Overnight boarding is allowed for people with animals travelling through, if booked in advance with the office. Stalls used in conjunction with shows are reserved in advance by the show promoter and billed accordingly. Shavings are required in all stalls. Rental fees and clean up fees apply. Arenas shall not be used for boarding animals.

c. Stall Manager

A stall manager will be required for all horse or livestock shows booked at the MCFG. It shall be the responsibility of the event holder to provide a designated stall manager for each horse or livestock event held at the MCFG. The stall manager is expected to track and monitor stall usage and collect fees on behalf of the event. Event holder will be billed in accordance with the number of stalls used. The event holder must report stall and RV counts within 1 week following the show; otherwise the MCFG staff count will apply. Stall fees shall be billed after the event and payment is due within 30 days after the event.

d. Care and Stall Cleaning

Event Holders will need to provide all bedding, feed, water, and care for any and all horses housed or otherwise brought onto the premises. Animal owners must maintain and care for all animals in a manner consistent with the standards as established by Mesa County Animal Control. MCFG reserves to the right do periodic inspections and to contact Animal Control if they feel it is necessary.

Horse stall cleaning performed by the Fairgrounds staff is charged on a per stall basis. Event holders wishing to avoid the fee should work with staff to verify cleaning standards. Stalls must be thoroughly raked to the center aisle. Any stall that is not cleaned or has to be re-raked by staff will be charged to the event holder.

e. Animal Handling

Mistreatment of animals will not be tolerated at the Mesa County Fairgrounds. Any competitor, owner or trainer suspected of abusing an animal will be reported to Mesa County Animal Control, and may be required to leave the premises immediately without a refund.

All animals must be corralled, stalled, and otherwise confined or under the direct control of the owner or handler at all times. Persons keeping animals on the premises must use every care to assure safety of visitors and other facility patrons/personnel. Tie ups or the set-up of temporary stalls for the intended purpose of holding horses or large livestock overnight is not allowed on fairgrounds property.

2.5 Arena Policies and Procedures:

Note: All policies of this Event Holder's Guide apply to all events, and it is the Event Holder's responsibility to know and understand all policies. This section includes only those policies most commonly associated with Equestrian and Livestock events for convenience of the user.

a. Scheduling of Arenas

Scheduled events and organized riding activities for groups are scheduled through the Fairgrounds office and take priority over individual open riding or training. To reserve a specific time, call the MCFG office.

Given proximity of the two covered arenas, separate events may be scheduled simultaneously with consideration of the size and needs of both events. Care will be taken to limit these overlapping dates; however these bookings will be at the sole discretion of the MCFG. Areas for parking, warm-up, wash racks and stalls will be designated for each event/arena.

Priority in scheduling and rates will be given to those who utilize the entire complex. Small horse show groups are encouraged to work with each other by coupling show dates with other small shows.

b. Arena Use & Riding Permits

Weekday use of CW Construction Arena may be scheduled in 1-hour blocks of time (minimum of 1 hour/maximum of 4 hours) between the hours of 8:00am and 5:00pm, and occasional evenings or weekends. Groups, individual riders, and trainers who wish to enjoy exclusive use of this arena are encouraged to take advantage of this feature. There is not a limit on the number of horses or riders in a group, but all riders must be part of the same group. Events, shows, or publicly advertised clinics are not eligible for this use. A signed liability waiver is required for each rider. Evening or weekend reservations are limited, and require collateral for key check-out.

Open riding is available weekdays in the **United Companies and Warm Up Arenas**, when events are not on-going. A schedule of open riding will be posted online. Fee payment and liability waivers are required for each rider. A lock-box is available at the show office to drop payments and waivers. Riders must follow all open riding rules while using the arenas.

c. Open Riding Rules

- Always use proper pleasure-riding etiquette and common courtesy with other riders.
- Experienced riders must "watch out" for novice riders and children.
- Parents/guardians must supervise children at all times.
- Riding/behavior lessons are not allowed during open riding. Commercial trainers must contact the Fairground's office to schedule facility use for lessons.
- Alcoholic beverages are not allowed at any time during open riding.
- Dogs are not allowed in the arena during open riding.
- Horses cannot be tied to the arena railing.
- Anyone off horseback must stay outside the arena railing.
- Manure is not to be left in the parking lot; it should be placed in a designated manure area.
- Stallions are prohibited in the arena during open riding.
- Arenas are available for riding only. Horses are not to be turned loose at any time.
- No barrels can be left in the riding arena.

d. Arena Grooming

Grooming of the arena is handled by MCFG staff only, unless special permission has been granted and additional insurance requirements have been met. Equipment that is not owned by Mesa County shall not be used on Mesa County property without authorization from the MCFG staff.

e. Arena Hardpan

The arena hardpan has been groomed to special standards to accommodate diverse events. Any damage to the hardpan, whether intentional or accidental, will result in loss and damage assessment against the users of the facility. It is imperative that the hardpan be protected, and not penetrated in any way. Stakes or other items that could potentially damage the hardpan, or create a potential hazard for animals, are not allowed in the arenas.

f. Equestrian Professionals & Commercial Training

Equestrian professional is defined as anyone who provides services for compensation, or who provides services under the auspices of a professional. If anyone is using the Mesa County Fairgrounds under these conditions a professional endorsement must be signed and all qualifications must be met as specified or required. These requirements include, but are not limited to, Mesa County insurance requirements, certifications, ownership documents, and incorporation papers. If anyone is not able to provide the appropriate documents or meet the requirements they may not operate as a professional on the premises. Violation of this requirement may result in legal action to the full extent allowed by law.

g. Helmet Policy

MCFG does have a helmet policy for all riders age 17 and under. Due to the unpredictability in equine behavior, and a concern for the health and well-being of children, the Mesa County Board of Commissioners adopted Resolution MCM-2001-135 requiring the use of equine industry standard helmets or the signing of a waiver of liability by the parent or guardian. This resolution applies to individual riders and boarders, as well as all organizers, and promoters of equine events. Organizers and promoters shall assure that all participants are in compliance with this resolution. Contact the MCFG office for the Helmet Waiver of Liability.

(Resolution MCM-2001-135)

All riders age seventeen (17) and under must wear an equine industry approved helmet while in the Mesa County Fairgrounds arenas or while riding an animal anywhere on the premises of the Mesa County Fairgrounds ("Fairgrounds") or must provide a waiver of liability signed by a parent or guardian. Riders age seventeen (17) and under who do not comply with this policy will lose their privilege to participate in any further activity at the Fairgrounds until the signed waiver is provided. The event organizer is required to implement this regulation or to obtain signed waivers from their riders.

h. Equestrian and Llama Law

“WARNING: Under Colorado Law, an equine professional is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities, pursuant to section 13-21-119, Colorado Revised Statutes.”
